

CONGRATULATIONS!

RE United Soccer Club offer two scholarships of \$500.00 each. This year's recipients have been awarded to **MEAGAN CORMIER** and **SCOTT MYRAH**.

MEAGAN CORMIER has played soccer with RE United Soccer Club since it originated. At the age of 10, Meagan played Division 1 and made the club's first U14 PSL team when she was 12 years old. Meagan even played with a boys team for an indoor season. Her last youth season was on the U18 Boca when the team won the 2009 Provincial Indoor Championship.

Meagan has represented RE United Soccer Club at RTC and NTC, many tournaments, provincial teams, four Club Nationals and four All Star Nationals, Western Canada Games and the Canada Games in 2009.

A former coach describes Meagan ... "Of all of the players I have had the pleasure of coaching, including over 25 National Team players, she really is one of the most well-rounded athletes with whom I have worked."

In addition to playing soccer, Meagan became a referee and assisted with coaching in skills training camps. Meagan also volunteered her time in REU tournaments.

Meagan is attending the University of Regina and continues to play soccer as a member of the U of R Cougars; and hopes to be a future coach for REU.

Congratulations Meagan!

SCOTT MYRAH has played soccer with RE United Soccer Club since it originated. At the age of 10, Scott began playing Division 1 where his U12 team won the Provincial Indoor Championship. Success continued with U16 indoor and outdoor Provincial Championship and U18 indoor and outdoor Provincial Championship. He has participated in two National championships.

A competing coach of Scott's describes him ... "He always impressed me as a player that always did more to accomplish what it took to win games and titles. His efforts often proved to be the catalyst in some of the decisions where their team prevailed over ours."

In addition to playing soccer, Scott was always available for volunteer opportunities and assisted with training of Super Soccer Skills, which began when he was only 12. To this day, he is a part of RE United training skills camps and sees it as a way to give back to the game that has given him so much. Scott is passionate about sharing his skills and knowledge in soccer and is honoured to be a role model for young players.

Scott is presently attending the University of Saskatchewan and continues to play soccer with the U of S Huskies.

Congratulations Scott!
